

src/strings/testdata/cantenbury/fields.c

```
graph TD; A[src/strings/testdata/cantenbury/fields.c] --> B[stdio.h]; A --> C[config.h]; A --> D[fields.h];
```

The diagram illustrates the dependencies of the file `src/strings/testdata/cantenbury/fields.c`. Three blue arrows originate from the bottom of the top box and point to the top of three separate boxes below it. The boxes are arranged horizontally and contain the text `stdio.h`, `config.h`, and `fields.h` from left to right.

stdio.h

config.h
